## 2019 UPLB Alumni Association Awards

### UPLBAA AWARDS GUIDELINES

UPLBAA is now accepting nominations for the 2019 Alumni Awards. This year the UPLBAA will give the following awards to deserving alumni in addition to the awards given to distinguished alumni recognized by all UPLB College Alumni Associations and UPLBAA Chapters:

#### **The Outstanding UPLB Alumnus/ Alumni Award (TOUA)**

The recognition is given to deserving alumni of the University of the Philippines Los Baños (UPLB) who transcended their disciplinary fields of expertise and made significant contributions over the past 5 years to address contemporary issues such as but not limited to:

1. Rural development and social enterprise;
2. Environmental protection and NRM;
3. Agriculture and biotechnology;
4. Enterprise development and corporate governance;
5. Technology development;
6. Education, research, and training;
7. Public engagement and risk communication;
8. Veterinary medicine and agro-bio services; and
9. Engineering.

In addition, the nominee must have attained national, and possibly international, prestige that has brought honor and distinction to the University and the country.

#### **UPLBAA Multi-Generation UPLB Family Recognition Award**

UPLBAA gives special recognition to families who have produced, three or more successive generations of UPLB alumni, i.e., grandparent(s), parent(s), child(ren), and/or grandchild (ren).

The UPLBAA president, awards committee, and the golden jubilarians may also give recognition to outstanding individuals or groups.

- **UPLBAA Presidential Award**
- **UPLBAA Outstanding Golden Jubilarian Award**

#### **The Nelia T. Gonzalez Alumni Service Award**

Awarded to one or at most two deserving alumni of the UPLB for exemplary achievements, and also those who have rendered exceptional service in the pursuit of the goals of the University, the Association, and the alumni in general.

The award is named after UP Regent Nelia Teodoro-Gonzalez whose services to her Alma Mater, to the alumni of the UP System, particularly to UPLB, and to the Filipino people, in general, exemplify the ideals of the UPLB Alumni Association and its members.

Given the character of this award, alumni who have retired from service in the public or private sector (but may yet be otherwise active), may merit higher rating points for the Award.

#### **College Distinguished Alumni Awards**

The College Distinguished Alumni Awards are conferred on alumni who have demonstrated, in their chosen field of endeavor, exceptional achievements, and outstanding contributions that bring about substantial benefits to society and distinct honor to the College and the University. Award is given by respective college alumni association.

Recognition is given to achievements and contributions that impact the community in which the alumnus/alumna is or has been active, whether this is at the local, national, or international level.

Nominations for this award may be forwarded directly to the respective College Associations.

**All nominations with all the requirements must be received by  
the Awards Committee not later than 28 June 2019.**

## General Criteria for the Awards

Evaluation of nominees for the alumni awards will be based on the following general criteria aligned with the UPAAs distinguished Alumni awards.

**SERVICE ORIENTATION** – the nominee’s work has clearly benefited other people, groups and society at large, and not merely private or personal interests;

**LEADERSHIP** – the nominee has demonstrated effective and inspiring personal leadership in accomplishing the work for which s/he is being awarded; i.e., achievements can be attributed more to the person than to the official position/job/title s/he has held;

**IMPACT** – the nominee’s work has had a substantial impact on the people, geographic area, or sector covered by the award, both qualitatively (how deep, lasting or transformative) and quantitatively (how many people or groups benefited within the area or sector);

**INTEGRITY** – there is no serious concern about, or challenge to, the nominee’s personal integrity.

Awardees must have achieved distinction in multiple professional fields or areas of endeavor, or made a clearly greater qualitative or quantitative impact than other awardees in her/his profession or areas of endeavor.

Awards need not be given in all the categories listed above if there are no deserving nominees.

Other fields or areas of award may be considered as defined by the achievements of a deserving nominee. The UPLBAA Outstanding and Distinguished Alumni Awards are meant to be a cut above those given to alumni who have achieved successful professional careers. To deserve the award, all nominees, over and above the highly successful careers they may have attained, must still meet the criteria of service orientation, leadership, impact and integrity described above.

The UPLBAA is making a special effort this time to identify for nomination, unsung alumni achievers—those whose achievements in little-known corners of the country are exceptional but have remained unheralded and unrecognized.

## Nomination Procedure

Any member of UPLBAA may nominate as many qualified alumni as possible using the attached nomination forms. Endorsement by the concerned college association or chapter is encouraged but not required.

The UPLBAA Awards Committee may also actively seek out nomination through chapter associations or through their own search initiatives.
