A trophy in the image of the UPLB Carillon is given to the awardee to be shouldered by the UPLBAA.

UPLBAA Distinguished Service Award

In addition, the nominee must have attained national, and possibly international, prestige that has brought honor and distinction to the University and the country.

GENERAL CRITERIA FOR THE UPLBAA AWARDS

Evaluation of nominees for the alumni awards will be based on the following general criteria:

SERVICE ORIENTATION – the nominee’s work has clearly benefited other people, groups, and society at large, and not merely private or personal interests.

LEADERSHIP – the nominee has demonstrated effective and inspiring personal leadership in accomplishing the work for which s/he is being awarded, i.e., achievements can be attributed more to the person than to the official position/job/ title s/he has held.

IMPACT – the nominee’s work has had a substantial impact on the people, geographic area, or sector covered by the award, both qualitatively (how deep, lasting, or transformative) and quantitatively (how many people or groups benefited within the area or sector).

INTEGRITY – there is no serious concern about, or challenge to, the nominee’s personal integrity.

Awardees must achieve distinction in multiple professional fields or areas of endeavor or made a clearly greater qualitative or quantitative impact than other awardees in her/ his profession or areas of endeavor.

Awards need not be given in all the categories listed above if there are no deserving nominees.

Other fields or areas of award may be considered as defined by the achievements of a deserving nominee.

The UPLBAA is making a special effort this time to identify for nomination, unsung alumni achievers—those whose achievements in little-known corners of the country are exceptional but have remained unheralded and unrecognized.
